Life with Friends

NEW SERMON SERIES: LIFE WITH FRIENDS

Why does it seem more difficult to make friends these days? Connecting with people just seems more challenging. Global pandemics, social media, ideological differences...these might explain some of the reasons. Perhaps we need a relationship refresher. This January let's go back to the basics of friendship. Together we will examine stories from the Bible about how God works through strangers becoming friends. Along the way, we might just rediscover what civility and friendship can look like in a sometimes-uncivilized world. We hope you will join us!
